

THE GREATEST PALLET EVER BUILT

The CR3-5. The ultimate high strength pallet.
Craemer CR3-5 General Purpose Pallet with Rim

Specifications & Feature Comparison
See why the CR3-5 is arguably the best pallet on the market.

Specification	Craemer CR3-5	Competitors*	The Stowers Difference
Static Load Rating	7500 kg	5000 kg	2500kg greater.
Dynamic Load Rating	1500 kg	1250 kg	250kg greater.
Weight	27 kg	21.5 kg	5.5 kgs heavier = more robust.
Racking Load Rating	1250 kg	1250 kg	No difference - though the CR5-3 specification is the pallet's minimum capability.

The CR3-5. The ultimate high strength pallet.

Craemer CR3-5 General Purpose Pallet with Rim

- Designed as a general purpose pallet suitable for pooling and universal use
- Extremely high load bearing capability due to integrated reinforcement profiles
- Unique antislip topdeck for increased load safety

Due to its structural features this 1200 x 1000 mm five runner pallet is suitable for cross-industry applications making the CR3-5 ideal for industry and retail as well as for pooling. The CR3-5 ensures easy handling of heavy goods when stored in racking systems. Integrated reinforcement profiles guarantee highest stability and load bearing capability. To ensure that the loads on the pallet stay in place, the CR3-5 is supplied with a unique antislip topdeck. This extra feature provides safe stacking of empty pallets and significantly reduces the problem of plastics on plastic when using trays and crates in transit.

Product Code: **7571**

Material: **Plastic - High Density Polyethylene (HDPE)**

External Length: **1200mm**

External Width: **1000mm**

External Height: **160mm**

Weight: **27kg**

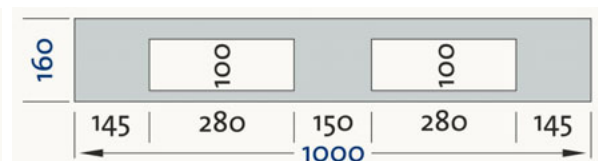

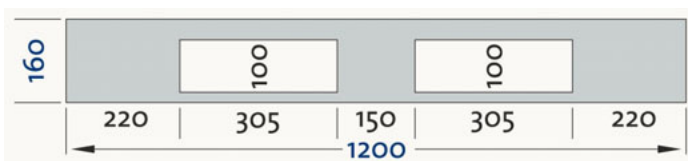

Static Load Rating: **7500kg**

Dynamic Load Rating: **1500kg**

Racking Load Rating: **1250kg**

We've done our research & evaluated other pallets on the market to ensure the CR3-5 matches or exceeds the competition in specifications, features & quality. The table below compares the differences between the Craemer CR3-5 and an average pallet available elsewhere on the market.

Specification	Craemer CR3-5	Competitors*	The Stowers Difference
Rim	Yes	Optional	Permanent rim for securing loads and safe stacking when not in use.
Antislip Deck	Yes	Varies	Structurally intergrated. Competitor grommets tend to have a limited life.
RFID	Available	?	Latest European technology.
Pallet Manufacturing Experience	40+ Years	?	World leader in innovation & expertise.
Warranty & Compliance	Yes & ISO 9001	?	Only the highest manufacturing standards.
